

10th AUSTRIAN TRADE FAIR Vienna – March 5th - 7th, 2010

More than 100 students from all over Austria and other European countries will meet at the Shopping Center Nord in Vienna for the Austrian Trade Fair. Teams will have the opportunity to present and sell their innovative ideas to the public and exchange views and experiences with others. Moreover, this event will help creating a personal network between young entrepreneurs on trade fair as well as during warming up at the sightseeing trip.
